Staff Representative	1
Headteacher	1

Community Governors	3
Teacher Governor(s)	1
Minor Authority	1
Total	14

Elections will be held to fill vacancies for parent governors upon the cessation of the term of office or receipt of a resignation.

#### 4. Resolutions

There were no resolutions passed at the last meeting.

#### 5. Election of Parent Governors

The next election of parent governors is due to take place in march 2023. If, however, any Parent Governor(s) resign before this date arrangements will be made for an election to be undertaken at the appropriate time.

#### 6. School Performance Data

In line with the regulations, this information is not provided due to the COVID-19 pandemic restrictions.

#### 7. School Development Plan

Governors are responsible for drawing up (in conjunction with staff) the School Development Plan. The plan identifies the direction the school will take, over a three-year period, in delivering the curriculum. The plan is regularly monitored and revised to take account of progress made and any changes to curriculum requirements.

The School Development Plan for the 2022-2023 academic year was approved by Governors. The targets set included short, medium and long-term aims, and were regularly reviewed by the Governing Body, who took into account the COVID-19 pandemic.

1. To raise standards in Literacy
2. To develop a curriculum for Llanhari
3. To develop effective assessment and progression

Targets are regularly reviewed by the Governing Body. Further information on the current targets and progress being made will be available at the meeting.

The school is currently implementing the statutory Curriculum for Wales framework and developing the curriculum from this, for our learners. Children are given a wide range of practical opportunities to equip them for an ever-changing world. Children are taught in year groups and mixed year groups with activities differentiated to meet all learning needs.

## 8. Attendance Information

In line with the regulations, this information is not provided due to the COVID-19 pandemic restrictions.

## 9. Sporting Aims and Achievements

The school has taken part in numerous sporting activities throughout previous years including football, cross country, athletics, netball and basketball.

Pupils have been part of the Sports Ambassadors programme promoting sport in school and two pupils organized a 'virtual' sports day, during lockdown in June 2020. Two new pupils received their Sports Ambassador Training 2020-21 and organised an extra-curricular multisports club. A number of our pupils successfully represent the county in football and rugby.

Afterschool clubs currently taking place are: Netball, Dance, Creative story time, Coding and Minecraft, and Into Film.

## 10. Healthy Eating

The school has achieved its 6<sup>th</sup> Healthy School award. Many class topics cover the issue of healthy eating.

Prior to Covid-19, the school had a morning fruit tuck shop that was very popular and was run by the children. (this will resume November 2022) Children are not allowed to eat chocolate or crisps at break time and are encouraged to bring fruit from home or buy from the fruit tuck shop.

School meals are popular with a varied and healthy menu. Packed Lunch children are encouraged to bring healthy lunches but this is challenging as it is down to parental responsibility.

Children have access to drinking water throughout the day and are encouraged to only bring water to school.

The school has worked closely with the dental nurse. She has previously provided training and toothbrushes for children in Nursery, Reception and Year 1. She has also spoken to junior children about good oral

hygiene and the effect of sugary drinks on teeth. She has previously held parent workshops which were well attended and very informative. Previously, parents have had access to healthy eating workshops provided by the LA and cookery classes funded through the National Lottery. Healthy cookery classes were run for parents and pupils.
