There will be 10 games, with 3 being just for the children. We have lots of lovely prizes donated by local businesses. Refreshments (including chips!) will be available at the interval.

Christmas Jumper Day

We are joining in again with the Save the Children Christmas jumper day. This will be held on Friday 14th December.

Children can wear any type of festive jumper or clothing—the brighter the better!

A donation of £1 would be appreciated.

Coding Club

After Christmas we will be starting a new coding club for parents and children. The club will be targeted at years 2 and 3 but will be opened up to years 4, 5 and 6 if there is space. The club will be run by The 'Hapi' project and 'GoConnect', focusing on basic coding and animation. This will be a great opportunity for parents to learn about the coding we cover with the children as they progress through the school. Letters will come out shortly and although the club is free we will be asking for a £5 refundable deposit to secure a place.
