Creating our Vision & Values

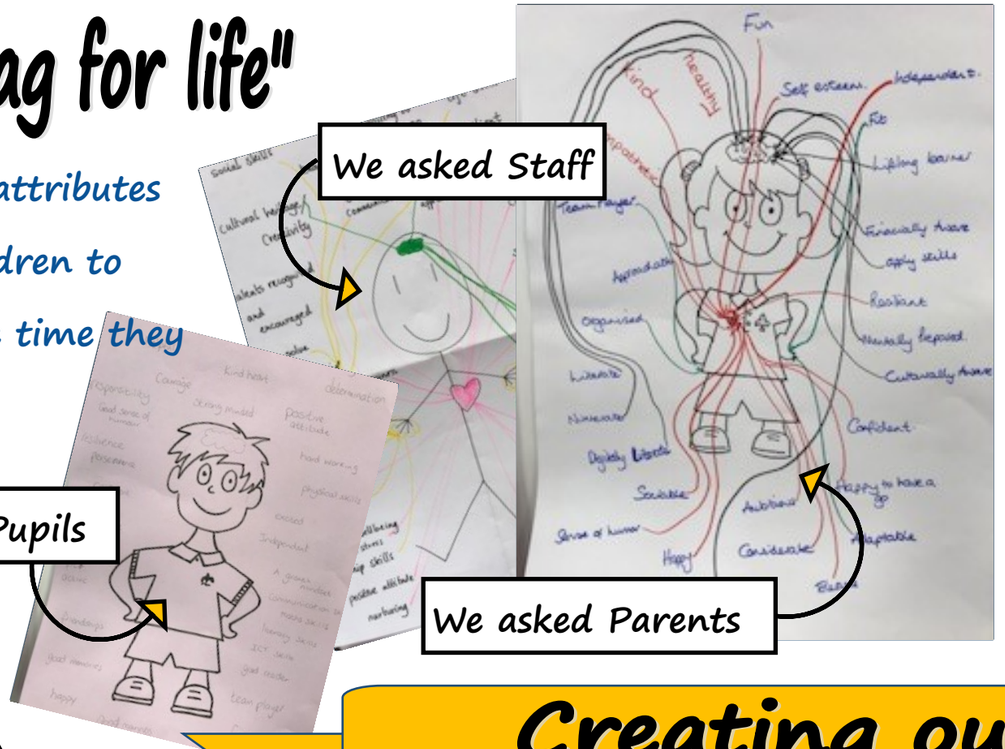
Step 1 - "Bag for life"

What key skills and attributes do we want our children to have acquired by the time they leave our school?

We asked Staff

We asked Pupils

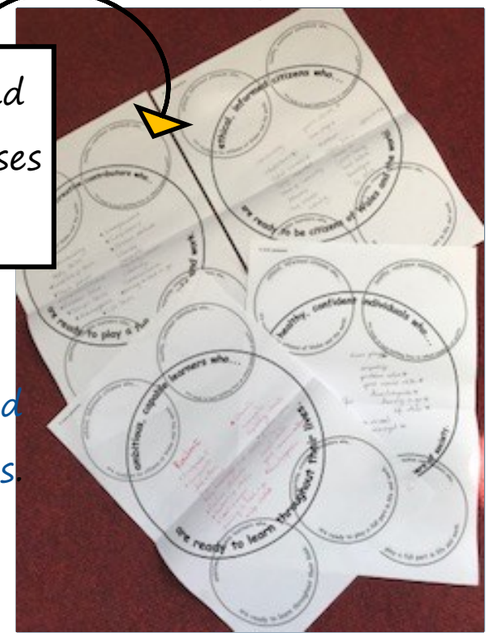
We asked Parents



Step 2 - "The 4 Core Purposes"

We matched the key skills and attributes to the 4 core purposes of the Curriculum for Wales

We then selected the key skills and attributes that reoccurred in most of the 4 Core Purposes.



Ambitious, capable learners who are ready to learn throughout their lives

Ethical, informed citizens who are ready to be citizens of Wales and the world.

Enterprising, creative contributors who are ready to play a full part in life and work

Healthy confident individuals who are ready to lead fulfilling lives

Stakeholders chose to start with the 4 Core Purposes. Pupils then expanded on what these look like in our school.

Step 4 - "Creating the new vision"

Happiness

Perseverance

Independence

Confidence

Kindness

Respect

During the Stakeholder vision evening votes were placed to select the most popular 6.
