

Llanhari Primary School

Class 1 & 2 Summer Term Homework grid

Ethical, Informed Citizens

Think about other countries that enter the Olympics. Choose a country that competes and find out about that country. Can you share what you have found? This can be a poster, picture or record a video.

Healthy, Confident Individuals

As we are on the countdown to the Olympics, can you think of a way you keep fit? This could be a club you go to or an activity you do, such as going for a walk somewhere. Let us know all about how you keep your body fit through a photograph, video or draw a picture.

Ambitious, Capable Learners

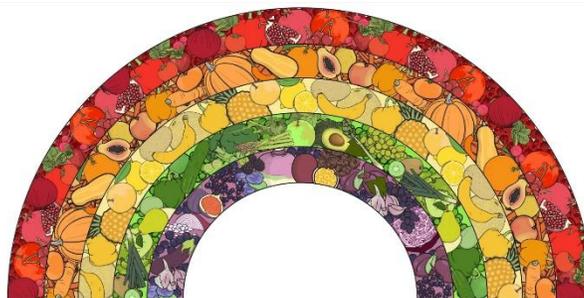

We will be exploring healthy eating. Can you find out about healthy recipes? Can you describe the steps for the recipe? How much of each ingredient do you need? Share your recipe for others to try.

Enterprising, Creative Contributors

As part of our topic we will be growing new plants. Can you create a planter using items you have at home that you no longer need to decorate our outdoor space. If you can plant a seed so we can watch it grow that would be amazing!

Literacy

- Share a book at bedtime. Remember to talk about the story.
- Play phonics games- <https://www.phonicsplay.co.uk/resources>
- Play eye spy using phonic sounds we know.
- Practice letter formation- you can use playdough, flour, shaving foam etc.

Numeracy

- Practice number formation
- Try some of these games <https://www.topmarks.co.uk/Se/arch.aspx?Subject=16&AgeGroup=1>
- <https://www.bbc.co.uk/bitesize/subjects/zjxhfg8>
- [EYFS maths skills - Numbers, counting sequencing for early year's children - Bud's Number Garden - BBC Bitesize](#)
