

CLASS 4 NEWSLETTER

INTRODUCTION

My name is Miss Price, and I'm delighted to be joining the school as the new teacher for Class Four. I'm excited to get to know each of your children and embark on this learning journey together. With a passion for fostering curiosity and a love for learning, I'm committed to creating a supportive and engaging environment where every student can thrive. I look forward to working closely with you to support your child's growth and success throughout this term.

DAILY READING

We will be placing a strong focus on reading this year. To help your child make the most of this, please ensure they bring their reading book to school every day. Regular reading will support their progress and foster a love for books.

PE DAY

Our PE sessions are scheduled for Tuesday afternoons. On this day, please ensure your child comes to school in their regular uniform. They will have the opportunity to change into their PE kit (white t-shirt and black shorts) before the lesson. It's important they are dressed appropriately for physical activities.

OUR TOPIC

Exciting New Topic – Cynefin and Castles: We are about to embark on a fascinating new topic called "Cynefin," which will focus on the history and significance of castles in Wales. We'll explore this through both Humanities and Expressive Arts, looking into the historical details of castles as well as Welsh artistry. Your child will engage in various activities to understand the who, what, when, where, and why of these historic structures.

I'm here to support your child and make their time in Class Four enjoyable and enriching. If you have any questions or need more information, please don't hesitate to reach out.

Looking forward to a great term ahead!
