

Llanhari Primary School

Class 1 & 2 Autumn Term Homework grid

Ethical, Informed Citizens

Think about how we can be responsible to look after our community. This could be putting litter in the bin, creating a welcome poster for new members of our community and other ways we can be inclusive. Take a photo or make a poster to show how you would do this.

Healthy, Confident Individuals

As we learn to develop and nurture our personalities, think about what makes you so special. Create a self portrait and think of words best to describe how special you are. Be as creative as you like-you can draw, use play dough or take a photo.

Ambitious, Capable Learners

We will be learning about people who help us this term. Think about what you would like to be when you grow up. Can you find some more information about what you have to do for this job?

Enterprising, Creative Contributors

As we explore our families this term- can you create your own stick family, showing who lives with you. Please can these be brought to school for display.

Literacy

- Share a book at bedtime. Remember to talk about the story.
- Play phonics games- <https://www.phonicsplay.co.uk/resources>
- Play eye spy using phonic sounds we know.
- Practice letter formation- you can use playdough, flour, shaving foam etc.

All
about
me

Numeracy

- Practice number formation
- Try some of these games <https://www.topmarks.co.uk/Se/arch.aspx?Subject=16&AgeGroup=1>
- <https://www.bbc.co.uk/bitesize/subjects/zjxhfg8>
- [EYFS maths skills - Numbers, counting sequencing for early year's children - Bud's Number Garden - BBC Bitesize](#)
