#### Aim

At Llanhari Primary Primary School we want to ensure that all members of the school community understand their respective roles in relation to confidentiality.

#### Pupils

The school will ensure that pupils:

- Know that members of staff cannot offer unconditional confidentiality
- Are reassured that their best interests will be maintained
- Know that if their confidentiality has to be broken, they will be informed first and then supported as appropriate
- Are encouraged to talk to their parents or carers and are provided with support to do so
- Are informed of alternative sources of confidential help, for example the school nurse, counselor, GP or local young person's advice centre
- Are given the opportunity to agree ground rules for lessons where sensitive issues may arise. These ground rules should be behaviour focused and implementation should be consistent and rigorous

#### Parents /Carers

The school will ensure that parents /carers:

- Understand the schools policy in relation to confidentiality
- Are encouraged to talk to their children and opportunities to support them in this are built into the school policy.

#### Staff

The school will ensure that all members of staff understand:

- That they cannot offer unconditional confidentiality to pupils

- The boundaries agreed by the school in relation to sensitive issues
- The agreed procedure for recording and reporting disclosure and the nature of access to this information.

### **Head teacher and Governors**

- Disclosures to staff within the agreed boundaries in the school

### **Specialist Agency Involvement**

Where appropriate the school will introduce the knowledge and support of outside agencies and individuals, e.g. the school nurse, social services. This will be done with the guidance and consent of the Child Protection Officer

### **Boundaries**

School staff have agreed the following

- If a pupil discloses information at an inappropriate time or place, the member of staff should try to talk again to the pupil before the end of the school day
- If the teacher is unclear about the seriousness of the disclosure, it is important to try to clarify the issue with the Designated Child Protection Officer.

### **Recording and Reporting Confidential Information**
