1. Introduction and aims

At Llanhari Primary School we recognise that mobile phones and similar devices, including smartphones, are a part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

Further guidance that should be considered alongside this policy includes the school's Safeguarding Policy.

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for consistently enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The Headteacher is responsible for monitoring the policy every three years, reviewing it, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

3.2 Governors

Governors will review this policy every three years, or when required.

4. Use of mobile phones by staff

Staff should not use their own mobile phone for personal reasons in front of pupils throughout the school day.

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone, while children are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- Pre-arranged phone call from a doctor
- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number

01443 237832 as a point of emergency contact.

4.2 Use of smart watches by staff

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smart watches have wellness and health-related features.

Smart watches are permitted to be worn by staff.

However, we will expect staff to use the watch in an appropriate and professional manner.

4.3 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard).

Please see the school's data protection policy or ICT acceptable use policy.

4.4 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

4.5 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- To use multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct.
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil.
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office.

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

The only reason children of this age should need a mobile phone is for reassurance when walking to or home from school.

Therefore, mobile phones can only be brought in by pupils in years 5 and 6.

Pupils from other year groups will have their phones confiscated and it will need to be collected by a parent.

Exceptions for other year groups: A pupil may bring a mobile phone if they are residing at a different home address that evening. For example, where parents do not live together and contact is split.

Pupils are not allowed to use mobile phones throughout the school day.

Staff collect mobile phones on arrival.

Teachers keep the mobile phones in a secure location.

Mobile phones are then handed back to pupils at the end of the school day.

5.1 Use of smartwatches by pupils

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smart watches have wellness and health-related features.

Smart watches are **not** permitted to be worn by pupils.

Any smart watches worn by pupils on premises will be confiscated and placed with mobile phones.

5.2 Exceptions for special circumstances

The school may permit pupils to use a mobile phone in school, due to exceptional circumstances. This will be considered on a case-by-case basis.

We currently allow mobile phones to be used by pupils when they contain a medical device to support diabetes and hearing loss. Any pupils who are given permission must then adhere to the school's acceptable access for mobile phone use (see appendix 1).

5.3 Sanctions

The following sanctions will be used if a pupil is in breach of this policy on school premises.

- Mobile phones will be confiscated. (Schools are permitted to confiscate phones from pupils under [sections 91](#) and [94](#) of the Education and Inspections Act 2006). These will then need to be collected by a parent.
- Staff will search pupils' phones in specific circumstances, if there is a good reason to do so (such as having reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause harm to another person).

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- In concerts or performances, not taking pictures or recordings of pupils, unless it includes their own child
- In circumstances where a parent has not given consent for photographs then no photographs or recordings will be allowed in concerts and performances.
- Not using phones to take pictures or recordings in open evenings, creative afternoons etc
- Using any photographs or recordings for personal use only, and not posting on social media
- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone while children are present
- Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 5 above.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Pupil use of phones out of school hours

Internet safety and the safe use of mobile phones is part of our DCF curriculum.

Any issues arising, out of school hours, from the use of social media and chat sites (authorised by parents) are not the responsibility of the school.

The age restriction for these social apps are 13+ and 16+ and are not suitable for primary school age pupils.

Mobile phones will not be allowed at school events such as discos or on school trips.

8. Loss, theft or damage

Pupils bringing mobile phones to school must ensure that the phones are appropriately labelled and are handed to staff at the start of the school day.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

Confiscated phones will be stored in the classroom in a cabinet.

Lost phones should be returned to the school clerk. The school will then attempt to contact the owner.

9. Monitoring and review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff

Records of behaviour and safeguarding incidents

If there are any concerns regarding this policy, these should be brought to the attention of Mrs Coates in a timely manner.

10. Appendix 1: Acceptable use agreement for pupils allowed to bring their phones to school due to exceptional circumstances – e.g. when they contain a medical device to support diabetes and hearing loss
