

Llanhari Primary School

Class 1 & 2 Spring Term Homework grid

Ethical, Informed Citizens

Think about other countries and cultures around the World. Can you find out about colours of things that represent that country? This could be clothing, food, flags and landscapes.

Healthy, Confident Individuals

Think about all of the colourful fruits and vegetables we have tried. Can you find a recipe using fruit or vegetables to make? Take a photo of your creation. It would be great if you could also make a video of the instructions.

Ambitious, Capable Learners

Rainbows are very colourful. Can you find out about rainbows? How many colours are in a rainbow? Can you name the colours? You can present your ideas in a poster or even label a photograph on Seesaw.

Enterprising, Creative Contributors

As we are learning about colours can you explore mixing different colours? You can use what materials you want such as paint, chalk or food colouring to make a colourful piece of art work.

Literacy

- Share a book at bedtime. Remember to talk about the story.
- Play phonics games- <https://www.phonicsplay.co.uk/resources>
- Play eye spy using phonic sounds we know.
- Practice letter formation- you can use playdough, flour, shaving foam etc.

Numeracy

- Practice number formation
- Try some of these games <https://www.topmarks.co.uk/Search.aspx?Subject=16&AgeGroup=1>
- <https://www.bbc.co.uk/bitesize/subjects/zjxhfg8>
- [EYFS maths skills - Numbers, counting sequencing for early year's children - Bud's Number Garden - BBC Bitesize](#)
